2. The coaches met and discussed the 4-way meets. The coaches recommend that the 4-ways stay as they are currently run.
 - a. The biggest problem is the length of time that the 4-way takes to complete.
 - b. Each school in the 4-way should have their track coaching staff helping to run the meet.
3. After a discussion, the Athletic Directors decided to maintain the 4-way meets with an adjustment to the number of throws or jumps each participant is allowed. The number of throws and jumps per individual will be **reduced** from 4 to **3** for all 4-way meets.
4. The tentative track schedule for 2010 will be posted on the web site by the end of the day today.

II Fall Sports

Volleyball

1. Heather requested that the ADs talk with their volleyball coaches about the possibility of playing frosh, JV and Varsity games during the first 2 rounds of League play.
2. Schools having the ability to run the frosh game and the JV game at the same time could have that option.
3. The pre-season meeting will take place between August 17th and 20th.

C. Tennis
