Re: Bio for Nomination to Re-alignment Committee

Alan Peterson (Atwater H.S.)

Mr. Peterson started his career in education as a teacher and coach at Hilmar High School. (1989-2000) He was the Head Basketball Coach at Hilmar High for seven years. Mr. Peterson took a door mat basketball program and turned it into a contender and appeared in the CIF play-offs his final four seasons. He then moved into administration at Hilmar High School as a Vice Principal overseeing the Athletic Program. In this position, Mr. Peterson was able to gain a full understanding of the issues of the TVL, (Trans -Valley -League) gaining an understanding of the small school perspective. Handling the multiple duties required at a small school helped build a strong foundation for the future. In 2001 Mr. Peterson moved to the MUHSD where he served as a Vice Principal at both Atwater High School and Golden Valley High School. In 2008, Mr. Peterson was promoted to Principal at Sequoia High School and spent one year developing a Community Day School for the MUHSD. In 2009, he was named Principal of Atwater High School, where he currently serves. Mr. Peterson has been active in CIF issues. He served as the CCC League President and CIF Board of Managers from 2009-2011, handling all the duties involved. In 2011, he served on the CIF Budget Committee. Mr. Peterson is known as a strong supporter of CIF and dedicated to building and supporting a strong and competitive Athletic Program. Mr. Peterson's small and large school experience make him a good, strong candidate for the Re-alignment Committee.
